

ONE DAY :

Magnificent

Fireplace

WORKSHOP

WHAT WILL I LEARN?

On this one day course, we will use the an abundance of fresh flowers of different shapes and textures, alongside a variety of greenery, to create a glorious fireplace piece!

I will demonstrate, and you will work on the creation at the studio, and then we will pack up the vehicle and go to a wedding venue with a beautiful fireplace, to get some brilliant “in situ” shots of your creation.

This course is well suited for people with some floristry experience, those who have completed our "Introduction to Career Floristry" course, or are existing florists in business, looking for a boost or a day of enjoyment instead of work!
